## WARNER BOARD OKAYS \$60,000 HOSPITAL LOAN

The board of directors of Warner Hospital at a monthly meeting Thursday evening authorized the borrowing of up to \$60,000 from four local banks to enable the hospital to operate on a current basis with its vendors and take normal trade and time discounts.

At the same time the board directed that past due accounts amounting to \$116,000 be placed in the hands of Atty. Gerald Walmer, W. Middle St., for collection. The accounts which will be placed in Walmer's hands are those incurred over a period of several years prior to March 31, 1962, where no payments or arrangements for payments have been undertaken. Walmer will be instructed to file suit where necessary in order to recover the funds due the hospital. Funds collected by Walmer will be used to repay the \$60,000 loan.

The directors recommended that a new Blue Cross contract with capital hospital service be executed. The new contract offers several changes which are advantageous to the hospital in estimating and securing reimbursement.

**FOOTE SYSTEM**

It was also agreed that a new Foote System contract, the so-called "letter system" which nets the hospital approximately \$9,000 a year in voluntary contributions, be signed for the coming year.

A flat service fee of \$1 in addition to the cost of materials will be charged dispensary patients in order to defray the costs of staffing.

In line with the expressed desire of the directors to play a watchdog role on efficiency and expenses in order to cut deficit operations of the hospital, Leo McDermitt, chairman of the building and grounds committee, reported that his group had under study improvements which might effect considerable savings.

**MATHIAS BEGINS**

Walter B. Dillon, hospital administrator, declared that the major details of the operation of the dietary department by the A. L. Mathias Company, Baltimore, had been resolved and that Mathias would begin operation on August 1.

## COMMITTEES FOR B-P CLUB ARE LISTED

Committees for the year beginning July 1 were announced at the meeting of the Business and Professional Women's Club held following the covered dish supper at Benner's Grove Thursday evening with 17 members present.

Miss Roberta Bittinger, Cawthron, first vice president, presided in the absence of the president, Mrs. Edith Bushman. She presented a program of activities to next July, set up by the board, which was approved by the club.

Mrs. Max Sumser, finance chairman, presented the budget for the year which was adopted. Tickets for the play "Twin Beds" at Allenberry Playhouse August 27, being sponsored by the district, may be secured from her.

**COMMITTEES NAMED**

Following a practice of several years the club will cooperate with the Kiwanis Club with the Farm-City Day to be held August 4. Club members who desire to assist are asked to contact Miss Beatrice Benner or Mrs. D. Edwin Benner.

The following committees were appointed by Mrs. Bushman: By-laws, Mrs. Flo Woomer, Mrs. Lee M. Hartman, Miss Mary E. Dutcher; career advancement, Miss Louise Ramer, Miss Eva Jane Schwartz, Mrs. Anna Bierer, Mrs. John S. Bishop will be leaders for the camp assisted by Miss Linda Reber and various parents of the members.

Plans call for a picnic supper for the members and parents on August 4 and a campfire program will be held on August 10 for parents and guests. Permission slips were distributed to be returned to Mrs. Baker by August 1 along with a \$10 deposit to cover food and lodging for the week.

**CHANGE MEETING PLACE**  
The meeting of the Adams County Fish and Game Auxiliary scheduled to be held this evening at 7:30 o'clock at the cottage of Mrs. Mabelle McKenrick will be held instead at the same hour in the social room of Mrs. McKenrick's home on Gettysburg R. D.

## Farmers' Group To Picnic July 25

The Adams County Farmers' Association with its 490-member farm families will hold its annual summer covered dish picnic at the South Mountain Fairgrounds, Arendtsville, Wednesday, July 25, at 7:15 p.m.

Mrs. Henry T. Butler, Pennsylvania Farmers' Association women's committee chairman, will speak on "Reorganization of School Districts." There will be entertainment of various kinds including dinner music with Mrs. Ottis Livingston at the electric organ.

## HUNDREDS SEE FIRST CHERRY TREE "SHAKER"

Hundreds witnessed the first public demonstration of a cherry picking machine in Adams County Thursday evening and spectators and those in charge agreed that while the machine has "possibilities" it is in need of many refinements.

The demonstration was staged at the Cherry Vale Orchard of the C. H. Musselman Company in Quaker Valley, a mile west of the Biglerville-Carlisle highway, starting shortly after 6:30 p.m. and continuing until dusk.

The "shaker" which is mounted on a farm tractor which supplies its power consists chiefly of an 18-foot steel arm with a steel, rubber-covered, clamp at its end. By controls available to the "shaker" operator, the clamp grips larger branches of the tree near the trunk and shakes the tree vigorously as cherries, leaves and twigs shower in a canvas "net" spread below the tree which is tilted to funnel the fruit into a two-section, 10-foot wooden trough at the base of the tree.

**CALLED "MODEL T"**

The entire operation requires a crew of eight—one man on the tractor, one to operate the "shaker" and three men on each of two sets of nets. While the machine works on one tree, one crew moves that equipment to another tree in preparation for the "shaker." Actual "picking" operation on each tree can be done in as little as four minutes.

**BOARD ELECTS**

## W. B. DILLON TO TOP SOCIETY

Walter B. Dillon, administrator of the Annie M. Warner Hospital, has been informed by the Board of Regents of the American College of Hospital Administrators, the top professional society in the field of hospital administration, of his election to membership status by the college. He will be formally inducted into the new status at a convocation ceremony on September 16 at McCormick Place, Chicago.

The group has three types of membership: Nomineeship, the status granted those who have fulfilled requirements for admission; membership, granted those who have been nominees in good standing for at least two years and have successfully passed both an oral and written examination; fellowship, representing the attainment of full professional status in the field and open only to those who have been college members for at least five years.

Candidates for membership must be either administrators or assistant administrators of an accredited hospital meeting the qualifications of the college regarding education, experience and position.

Besides the prestige that accompanies affiliation, membership offers numerous benefits to its members. The college conducts a comprehensive series of institutes and advanced institutes as a part of its educational program. These are held at universities and hospitals throughout the country and feature outstanding leaders from the field of hospital administration, education, commerce and industry, communications, government and the military service. The institutes highlight crucial areas of administrative responsibility.

Services will be held at 10:45 a.m. in the Seminary Chapel and Church School classes at 9:30 a.m. in the administration building. All are welcome to attend. The music for the services will be in charge of Paul W. Grove, choir director, and Mrs. M. Scott Moorhead, organist.

**MOOSE ROLLS SET NEW MARK**  
Girl Scout Unit Plans Camping Trip

Girl Scout Troop 955 met Thursday evening at the home of Mrs. Ernest Overton, N. Fourth St., to make plans for a camping trip to Cowan's Gap State Park, Richmon Furnace, during the week of August 4 to 11.

During the encampment the group will practice outdoor skills, swimming, boating and hiking. Mrs. Harry E. Baker and Mrs. John S. Bishop will be leaders for the camp assisted by Miss Linda Reber and various parents of the members.

Plans call for a picnic supper for the members and parents on August 4 and a campfire program will be held on August 10 for parents and guests. Permission slips were distributed to be returned to Mrs. Baker by August 1 along with a \$10 deposit to cover food and lodging for the week.

## KINGSTON TO BE BOY SCOUT DRIVE LEADER

Charles Kingston, Gardners, who was chairman of the Ida-ville-Gardners community for the 1962 Boy Scout finance drive, will be the general finance chairman for the county-wide fund raising campaign in 1963, it was announced at a luncheon meeting of Black Walnut District Boy Scout leaders Thursday at the Hotel Gettysburg.

Kingston will succeed Jack H. Orner, Arendtsville, who has been general finance chairman for the last three years and each of those three drives reached or exceeded its goal, General Chairman Teeter pointed out as he announced Orner's retirement as finance chairman and the choice of his successor.

Final reports on the 1962 fund drive showed that the total raised was \$5,804.55. The goal was \$5,700. Community solicitation brought in \$3,212.55 and \$2,592 came in from special gifts.

**7 SET RECORDS**

Chairman Teeter announced that Dean W. E. Tilberg will continue as special gifts chairman next year with Crosby N. Hartzell as his assistant. The general fund drive will be launched during Boy Scout Week next February but the special gifts committee will remain active throughout the year.

The 15 county communities in which Mr. Orner's 143 solicitors worked this year, the community chairmen or co-chairmen and the total contribution from each community follow: Arendtsville, Glenn Bream, \$378; Aspers, Charles Slomaker, \$103; Bendersville, Roy Starner, \$130.75; Biglerville, Donald F. Horst, \$244.70; Bonneauville, Ray Small, \$5; Two Taverns, Rev. Mark Heiney, \$5; Cashton-McKnightstown, Harry Redding and Blaine Sanders, \$85; Heidlersburg, Mrs. Donald Lady, \$111.60; Hunterstown, Ray M. Shupe, \$92; Ida-ville-Gardners, Mr. Kingston, \$129; Littlestown, Albert Bair and Warren Harner, \$1,150; Mummasburg, Dwight Reinhardt, \$35.75; Ortanna, James Neely and Art Wetzell, \$94.50; Fairfield, Charles L. Lott, \$343, and York Springs, Melvin S. Worley, \$305.85.

The reports showed that sums received from Arendtsville, Aspers, Bendersville, Biglerville, and Littlestown set new high marks for Boy Scout drives in those sections.

**TO USE INTERPRETERS**

The group will dine at Gettysburg College and then will tour the Visitor Center at 10 o'clock. They will be greeted by former President Eisenhower at his office on the college campus at noon.

**HOWARD WERT COLLECTION OF RELICS SHOWN**

UNION MILLS, Md. — Worn brown envelopes, packets and boxes which have contained a century-old private collection of authentic Gettysburg Battlefield and Civil War relics and documents opens Sunday.

This first public display of the collection is being shown for two months at the Union Mills Homeestead, Union Mills, Md., it was announced by Prof. Frederic Shriver Klein, curator of the historic Maryland homestead and a member of the History Department of Franklin and Marshall College. The old brick mill, built in 1797 at Union Mills, has been converted into a display room for the exhibit.

The J. Howard Wert collection began on the day of the Battle of Gettysburg, when young Wert, whose home was near the battle field, mingled with combatants and collected and labelled everything he could carry. His interest in Civil War mementos continued during later years of military service in the Virginia campaigns, and in post-war years he published many guidebooks and Civil War histories, and added rare documents and pictures to his catalogued collection.

**EVENT POSTPONED**

The "doggie roast" scheduled to be held by the Catholic War Veterans at their picnic grove in Bonneaville Saturday was postponed until July 21 it was announced today.

**SECURE LICENSE**

A marriage license has been issued at the Carroll County courthouse, Westminster, to William Eugene Imler, Abbottstown R. 1, and Betty Lou Klunk, Hanover.

**Ribicoff First Member Of JFK Cabinet To Resign**

HARTFORD, Conn. (AP) — Abraham A. Ribicoff, the first member of President Kennedy's Cabinet to resign, headed for the Connecticut Democratic state convention tonight to fight for the nomination for U. S. senator.

With the backing of Democratic National Chairman John Bailey and other party leaders, Ribicoff is expected to get the nomination without trouble.

"I like the challenge of elective office," Ribicoff said Thursday night in a television speech announcing his resignation as secretary of health, education and welfare.

Challenge is what he promptly got from his opponent for the nomination, Congressman-at-large Frank Kowalski.

Kowalski issued a statement claiming he had been offered U. S. Sen. Thomas Dodd's job if he would consent to run again for Congress this year and leave the field clear for Ribicoff.

Dodd's current term ends in 1964.

## Meeting For School Food Service Folk

A school food service meeting will be held Monday afternoon for all school food service personnel from Adams, Cumberland and Perry Counties. Miss Margaret M. Brant, area advisor for homemaking, education and school lunch programs, announced today.

The program will begin at 2 o'clock at W. G. Rice Elementary School on Rt 34 midway between Carlisle and Mt. Holly Springs.

Mrs. Hattie McSwain, home economist for the National Livestock and Meat Board, Chicago, will speak on "meat cookery," demonstrating various recipes. Miss Anne G. Eifler, specialist on nutrition and school lunch for the Department of Public Instruction, Harrisburg, will speak following the supper portion of the meeting, on "Work — What It Means."

## JAYCEES SET JUNIOR CHAMP NIGHT AUG. 9

"Junior Champ Night" will be held August 9, starting at 6:30 p.m., Richard Marker, chairman of the committee in charge, reported Thursday evening at a meeting of the local Junior Chamber of Commerce.

Marker said at the Jaycee meeting held in the former CCC camp along W. Confederate Ave. that the Junior Champ events, as in prior years, will be held at the Gettysburg High School football field.

Announcing the completion of all plans for the field events in association with Lee M. Raffensperger, borough recreation director, and Pat Kelly, recreation summer staff member, Marker said he hopes also to have a parade through town that evening of all entrants in the competition.

**JAYCEE PICNIC**

The annual JC family picnic will be held Sunday afternoon, July 22, at the Recreation Park pavilion, Chairman C. Robert Ziegler said. The outing will get underway at 3:30 o'clock with games for the children. The beverage will be furnished by the club.

Lance Duttry said the local winner in the JC Junior Tennis Champ contest will be determined next week following play-offs of the three finalists. All three will participate, however, in the state playoffs.

Because of a previous commitment at the Gettysburg Country Club golf course, the Junior Golf Championship tournament has been called off for the present (Continued On Page 3)

## Local Couples At Shrine Convention

J. Herbert Raymond, high priest and prophet of Zembo Temple in Harrisburg; Mrs. Raymond, Attorney Eugene Hartman, president of the local Adams County Shrine Club, and Mrs. Hartman were among the 18 couples from this district who attended the Shrine convention in Toronto, Can., July 2-6.

After a five hour parade July 3 and a night parade July 5, the Zembo Temple Oriental Band was judged the best oriental band in North America and presented a plaque at the Imperial Council session of the Ancient Arabic Order of Nobles of the Mystic Shrine.

Approximately 65,000 attended the July 3 parade and 40,000 the presentation ceremonies in Toronto stadium on July 5, the largest gatherings in recent years.

**HOSPITAL REPORT**

Those operated upon at the Warner Hospital today for the removal of their tonsils were Donald W. and Gerald L. Althoff, R. 3; Lana J. Zeigler, Union Bridge, Md., and Lynn Ann Gardner, R. 5.

## VOTING TESTS ARE STANDOFF IN LOUISIANA

MONROE, La. (AP) — Twenty-eight Negroes from a northeast Louisiana parish (county) have passed a voter qualification test conducted by a federal judge under the 1960 Civil Rights Act.

Twenty-nine others flunked the test Thursday and another 25 who had applied to take it did not show up.

No Negro has ever voted in East Carroll Parish, where the tests were given in the first proceeding of its kind under the 1960 act.

**JULY 20 DEADLINE**

Louisiana's attorney general has until July 20 to file written objections to the procedures involved in testing the applicants. U.S. Dist. Court Judge Edwin F. Hunter Jr., who supervised the tests, will take final action on the registration applications following a court hearing July 23.

Hunter handled the applications under a Civil Rights Act provision calling for federal jurists to take such action where a pattern of discrimination has been found to exist.

After another federal judge ordered alleged discrimination halted in East Carroll, 87 Negroes applied to vote.

**ADOPTED TEST**

Hunter adopted the voter qualification test after a conference earlier in the week with Louisiana's Sovereignty Commission, a segregation watchdog unit which recently secured legislative approval of uniform voter registration procedures.

The 12-question, multiple-choice test covered such subjects as what the legislative branch of state government does, how senators are elected and who pays mail carriers.

Eight correct answers were required to pass and five of the Negroes made perfect scores. Those who passed were then required to read aloud in open court the preamble to the Louisiana Constitution.

## WARNER BOARD

(Continued From Page 1)

for the 13-month period between June 1, 1961 and June 30, 1962, was accepted. The report showed an operating deficit of \$45,348.32. Earned income amounted to \$686,663.73. Payroll and fees paid amounted to \$505,623.56 and direct expenses to \$209,714.23. Other expenses, including free service of \$41,924.27, amounted to \$223,873.57 bringing total expenses for operation to \$939,216.36. Additional income including county and state contributions of \$25,204.31 brought income to \$933,868.04. The operating deficit was \$45,348.32.

Dillon reported that newborn occupancy at the hospital was extremely low, 38 per cent of capacity for the first 11 days of this month, a decline from 58 per cent for the same period last year and 51 per cent for the same period in May. Adult occupancy was 88 per cent, the highest figure since April.

John Teeter, president of the board, presided.

**Pair Travels 200 Miles On Hike Junket**

Two beaming hikers, Rev. John M. Scott Sr. and his son, John Jr., two weeks out of Washington, Pa., rested their weary feet today after a trek of 200 miles over the mountains between Gettysburg and their home. The pair, who looked like an ad for President Kennedy's physical fitness program, looked fresher than the Times reporter who walked across Carlisle St. to interview them as they awaited the rest of the Scott family in the AAA office.

Rev. Scott, 43, the pastor of North Buffalo United Presbyterian Church back home, explained that the hike began as a junket on June 27. Young John, 14, a sophomore and cross-country star at Kiski Prep, had enjoyed a walking tour last summer between his home and Ligonier. He talked his Dad into joining him this year and the two set out together, walking the whole distance without any rides, eating sometimes at homes or restaurants and occasionally cooking. They stayed overnight at residences, parsonages or YMCA's along the way.

This afternoon they meet the rest of the family, Mrs. Scott and two daughters, Sarah, 7, and Amy, 9, who are enroute by car to Gettysburg with friends, Mr. and Mrs. George Marth. Then the Scotts will vacation together by train and bus until the four weeks granted them by their congregation is over.

Both father and son wore big smiles, although they favored sore feet. They hit rain and cold weather coming up Laurel Mountain, into Bedford and young John came down with poison ivy, hives and bee stings. The road damage had little effect on their cheerfulness, however.

Rev. Scott, a Pitt graduate in 1941, attended Pittsburgh Xenia seminary and took his M.A. in English from Pitt in 1950.

The journey took them from Washington to Brownsville to Connellsville to Somersett to Bedford and into Gettysburg on Rt. 30.

## DEVELOPMENT

(Continued From Page 1) number of offers received early this year by others to lease the motel. Most were in the neighborhood of \$80,000 to \$90,000 a year. Miller estimated that his lease will provide him to pay \$121,000 to \$122,000 a year, which he will hold to permit the corporation to meet its obligations. The other offers, he said, would not have provided the amount needed.

The lease to Miller provides that he pay \$7,500 a month rent, or \$90,000 a year. In addition he assumed other obligations including painting and general maintenance of the motel, payment of \$1,000 of the \$1,600 annual insurance bill, payment of the \$2,100-a-month payments on the furnishings mortgage and other expenditures.

### COMPLICATED FINANCING

At one point, in reply to questioning of Attorney Purcell, Miller burst forth with: "If you think I'm getting something out of it, you're wrong."

Miller stressed his belief that by leasing the motel he would be able to "put the corporation on a sound basis and make a living out of it."

He was questioned on an item in the May 31, 1962, statement of the auditors listing \$41,508 as due S. Blaine Miller. Miller said that figure was put in by the auditors to balance the account and did not represent any note, or any debt that will ever be paid off to Miller. He said he assumed the approximately \$86,000 remaining on the mortgage on the furniture and will pay that off over the years. At the time he took over the mortgage, the furniture, according to the auditors, had a book value, after depreciation, of \$43,873.46. To account for the discrepancy between the amount Miller was paying for the furniture and the actual value of it, the auditors listed the difference as "owing" to Miller.

### 'HAVE DONE GOOD JOB'

Miller also noted that he assumed the \$2,000 debt on furniture for a meeting room constructed at the motel "to help secure small conventions and business meetings there." and has paid off \$1,500 on that amount so far.

He listed \$5,000 already placed in the First National Bank toward the \$40,000 he is to have in escrow under terms of his lease by October 31. That amount is to guarantee payments of the monthly rentals, etc., during the winter months. The bank and Miller, under present arrangements, are trustees for the special account.

Miller said, "We believe we have done a good job on the management of the corporation. We've kept expenses lower than the national averages and we've made more profit per unit than the national average. We feel that as directors we've done a good job and we've certainly taken no pay for it. When we started it we believed that it would be a tough struggle and that we would have to lean on our other corporations to carry it through. But you have to expect to scratch to get anything worthwhile. We feel now that we've got things to a point where we can make it."

### 57,000 A MONTH

Miller said his lease with the corporation "even takes into consideration inflation. I'm to pay the corporation 30 per cent of all room rental in excess of \$30,000 in any year it goes over that amount."

He said in the division of payments he pays the \$487 a month television rental while the corporation pays the \$301 a month on the air conditioning.

Miller said payments to be paid by the corporation as of the present total about \$7,000 per month, "which should leave \$6,000 a year above those payments from the rental I am paying of \$7,500 a month."

He also said that the corporation has a commitment for a new mortgage over a period of years, which will reduce approximately \$6,000 worth of monthly payments to approximately \$4,300 a month. He said at the time he took the lease he did not know the corporation would be able to refinance. He added that the new mortgage over a longer period of time "will raise the amount of interest we have to pay over the years, but because of the lower monthly payment we will be able to operate much more effectively."

### 77th BIRTHDAY

Mrs. Elizabeth S. Hennig, veteran York St. business woman, owner of Hennig's Bakery, one of the oldest businesses in Gettysburg, is observing her 77th birthday today. While trouble with her knees prevents her from circulating as much as formerly, she still maintains an active interest in the DAR, Soroptimist Club and several other groups. She enjoys showing to her friends her valuable collections of glass, china and silver.

### MINOR MISHAP

Borough police were called at 8:30 p.m. Thursday to a "slight accident" in Lincoln Square. The police call sheet said Anna Mae Bigham stopped to permit a tractor semi-trailer rig to pass her sedan in the square. The truck, driven by Jesse H. Wilson, Baltimore, struck the right front fender of the car causing slight damage. The report indicated that the driver settled the matter on the spot.

### TO WELCOME BEAUTY

# BRAZIL VISIT IS POSTPONED BY PRESIDENT

BY WALTER R. MEARS

WASHINGTON (AP)—President Kennedy has postponed until mid-November his planned visit to Brazil.

The official reasons: The approaching windup of the congressional session, plus the fact that election campaigns are coming up in both the United States and Brazil.

But experts on Latin America read into Thursday's announcement concern that a presidential visit during the current Brazilian political crisis could be labeled Yankee intervention.

## AFFAIRS UNSETTLED

The White House announcement did not mention Brazil's internal troubles. President Joao Goulart, who recently visited the United States, has been disputing with conservative factions over the type of administration Brazil should have.

Two prime ministers have resigned during the past two weeks, Brazil's congress has rejected a third, and Goulart's latest choice for the post has not been able to form a cabinet.

Observers of the Latin American scene said Kennedy could not go to Brazil during the political crisis without creating the impression that he was backing one side or the other.

## SALINGER WAS THERE

The President and Mrs. Kennedy had planned to leave for Brazil July 30. They were to have returned Aug. 1. Postponement of the visit had been considered a possibility since the Brazilian cabinet crisis erupted June 26.

But the White House had maintained plans for the trip were going ahead—and the President's press secretary, Pierre Salinger, was in Brazil, preparing for Kennedy's visit, when the postponement was announced.

## CAMPAIGN GETTYSBURG

The Campaign Gettysburg Committee, headed by Donald Becker, reported meeting with Dr. Milton Osborne, architect for the project, recently who reviewed progress to date throughout the town. Plans were begun to meet with the Saturday Evening Post for rededication ceremony concluding the campaign at the end of September.

A short television publicity program for the annual Gettysburg Antiques show will be presented over WGAL-TV August 15. Tom Piper, chairman, said a full work crew from the club is essential during the three days of the show to insure its success. Oscar Spicer asked all members to turn in the ads sold for the program not later than next Friday.

President Richard Guise introduced Sidney Steinour, Albert Trehr and Martin Conway as new members and welcomed these guests: Pat Kelly, Lee Raffensperger and Paul Lindemuth.

Set Public Hearing For Delaware Basin

PHILADELPHIA (AP) — The Delaware River Basin Commission said today it will hold a public hearing Wednesday, July 25, on proposed additions to its plan for the river basin.

Persons or organizations desiring to be heard at the hearing—in the Pennsylvania State Office Building here—should register in advance, the commission said.

Proposals include adding existing public-owned water supply and waste disposal facilities; existing nonurban recreation areas and existing interstate water quality standards, the announcement added.

## SIXTH DRIVER SLAMS SQUARE IN NEW OXFORD

Arthur J. Hoover, 18, Brodbeck, Thursday evening at 5:05 o'clock became the sixth driver in the last three months to smash into the square at New Oxford.

State police said Hoover was driving north on Hanover St. in New Oxford, and his car crashed into one of the guard posts around the large plot in the square. The impact broke off that pole and the pressure pulled several other guard posts attached to the guard cable out of the ground.

The car then smashed a concrete bench in the square, ripped up a quantity of grass and came to rest against a tree.

Damage was estimated at \$200 to Hoover's car and about \$175 to the square.

There was no explanation of why motorists were able to make their way around the oval in New Oxford's square for many years without difficulty and in recent months such a large number of drivers have smashed into the square.

Police are continuing their investigation.

## SPOKANE MAN KIDNAPS GIRL, KILLS FATHER

SPOKANE, Wash. (AP) — A Spokane public relations man was shot to death and his daughter was abducted Thursday night in front of the radio-television station where she worked.

Two hours later, two policemen arrested 20-year-old Max Earle Markham in a car on a bank of the Spokane River east of here near the Washington-Idaho border.

The girl, Nancy Fowle, 20, was with him. Police Chief Clifford Payne said she was very upset but was not hurt.

## HAD ARSENAL

Chief Payne said Markham had a submachine gun, a hunting rifle, a .45 automatic pistol, a hunting knife and about 25 pounds of ammunition in his car. He did not resist arrest.

Killed was W. Gordon Fowle, about 50, public relations director for a savings and loan association here.

Chief Payne quoted Markham as saying, "I shot him. I suppose he's dead."

No motive for the shooting has been established.

The chief said he understood Nancy and young Markham had attended the same Spokane high school.

Fowle was shot about 11:30 p.m. as he arrived at the studio of KHQ Radio-TV to pick up his daughter, night receptionist at the station. This was Fowle's night shift.

## Essegeian Homer Beats Birds As Angels Nip Yanks To Tighten Race

By MIKE RATHET

Associated Press Sports Writer

Chuck Essegeian, Cleveland's early season power popper, has slipped his slump.

The 30-year-old outfielder, whose batting average dropped 101 points since he reached his peak May 26, was tapped for pinch-hitting duty Thursday night and responded with a three-run homer that powered the Indians to a 6-4 triumph over Baltimore.

It was only the second home and seventh run batted in for Essegeian since he hit six homers in six games, boosted his average to .384 and seemed finally to have found his spot at Cleveland after spending eight years with 19 different clubs in organized baseball.

## WAS TIED IN 9TH

Relegated to occasional appearances by his woeful slump, Essegeian came up against the Orioles after Willie Tasby had stroked a two-run pinch single, tying it 3-3 in the ninth. Essegeian then hit home run No. 14.

The victory moved the second-place Indians within .004 points of the American League-leading New York Yankees, beaten by third-place Los Angeles 5-4. Felix Torres drove in four runs for the Angels.

Elsewhere, Washington outscored Minnesota 7-4 in 10 innings. Chicago White Sox left-hander Juan Pizarro fired a two-hitter that beat Detroit 3-2 and Kansas City and Boston split a doubleheader. The Athletics won the opener 5-4, the Red Sox took the nightcap 9-4 in 11 innings.

## MARIS POPS OUT

Torres' first inning triple with the bases loaded and a single by Lee Thomas sent the Angels into a 4-0 lead against the Yankees. Torres' sacrifice fly in the third inning drove in Leon Wagner with the deciding run. Wagner had doubled—the only Los Angeles hit off loser Whitey Ford (7-5) and Jim Coates after the first inning. The Yanks pushed across four runs in the seventh before Dean Chance got Roger Maris on a pop out to end it and preserve the victory for Ted Bowsfield (5-3).

Jim King's second homer, a two-run shot that snapped a 4-4 tie in the 10th, followed by Harry Bright's solo homer, ended the Senators' seven-game losing streak and extended the fourth-place Twins' skid to five games.

Chuck Cottier also homered for Washington while Harmon Killebrew (No. 19), Bob Allison and Earl Battey connected for Minnesota. Dave Stenhouse (7-4) was the winner with a seven-hit effort, Ray Moore (4-3) lost it.

## A'S GAMES TIGHT

Pizarro (8-7) struck out seven while posting his fourth consecutive triumph. He had difficulty only with Steve Boros, who doubled and scored the first Tiger run, then doubled to drive in the other. The White Sox got their first run on Luis Aparicio's triple and a grounder by Camilo Carreon, scored their second on Joe Cunningham's homer and beat Don Mossi (7-10) in the eighth when Jim Landis doubled and Nellie Fox singled.

The Red Sox tied the opener 1-1 in the top of the ninth on Pete Runnels' three-run homer. But the A's came back to win it for John Wyatt (6-6) in the bottom half on a double by Ed Charles, a walk and a pinch-hit single by George Alusik. That made Mike Fornieles (2-4) the loser. The Red Sox broke the nightcap open in the 11th on two walks, a single by Runnels, Lu Clinton's triple and Bob Tillman's homer off Gordon Jones (3-2). Clinton also hit two homers in the game won by Dick Radatz (3-4).

## Gettysburg Little League

A youngster catching for the first time and determined 12-year-old pitcher paced the Elks to an upset victory over the undefeated, first-place Moose 7-5 Thursday evening in an excellent, well played ball game.

Little Jim Martin, playing in the place of veteran Eric Maitland behind the plate, not only caught foul tips all over the place, but rifled a line single to right-center to drive in the eventual winning runs in the fourth frame. Maitland will be lost to the Elks for the remainder of the season due to a fractured right thumb sustained recently in outside base ball activity.

Sam Teeter, one of the two work horses on the Elks' fast climbing team, tossed one of the finest games of his career. The young hurler got the Moose slugs to hit pop flies or easy ground balls in the final inning, with one Moose run in, a man on third and one out, Teeter's steel arm went to work and struck out the last two men in the order to save the victory.

Ted Maitland, a nine-year-old regular, and Larry Wickerham, a veteran infielder, paced the winners attack with a pair of hits each. Don Steinour and Dave Hartman collected the same number of hits for the Moose. Tim Whittinghill, also turning in a fine pitching job for the losers, suffered his first setback of the year.

## FBI REPORTS STATE CRIME TOTALS RISE

WASHINGTON (AP)—The FBI reported Thursday 75,065 major crimes were committed in Pennsylvania last year, an increase of 1,107 over 1960.

Major crimes include murder, forcible rape, robbery, aggravated assault, burglary, larceny and auto theft.

In the Middle Atlantic area, embracing Pennsylvania, New Jersey and New York, major crimes totaled 319,414, which was 4 percent higher than 1960.

### RECORDS UP

In the Keystone State, rapes, aggravated assaults, larcenies over \$50, and auto thefts decreased, while the other major crimes on which the FBI keeps records were up.

Here are crime totals for last year in Pennsylvania cities with populations over 25,000 (1960 figures).

Philadelphia 39,937; Pittsburgh 15,863; Allentown 1,468; Erie, 2,038; Scranton 1,381; Bethlehem 861; Chester 1,108; Harrisburg, 1,549; Johnstown 778; Lancaster 1,109; Reading 1,453; Aliquippa 312; Easton 429; Hazleton 293; Lebanon 332; McKeesport 651; New Castle 559; Norristown 420; Pottstown 130; Sharpsburg 375; Wilkinsburg 452.

## 3 PACIFISTS GET JAIL TERM

SAN FRANCISCO (AP)—A federal judge has sentenced three California pacifists to six-month jail terms for attempting to sail a vessel into U.S. nuclear test zone waters in the Pacific.

U.S. Dist. Judge William T. Schweigert also imposed six-month sentences Wednesday against two officials of the Committee for Nonviolent Action, a pacifists organization that sponsored the abortive voyage. They are Roger Moss, 23, the group's West Coast office manager, and Samuel R. Byson, 43, cochairman of the organization.

The trio sailed the three-hulled craft Everyman I only about 25 miles on July 4 before they returned to port seafarers. The boat had been under a June 8 court injunction forbidding its sailing toward the danger zone surrounding the Christmas and Johnston Island test areas.

The crewmen are Walter Chaf-San Luis Obispo; Barton Stone, 24, a carpenter, and Bob Robbins, 36, a picture framer, both of San Francisco.

## Emmitsburg

MRS. RALPH LONG  
HI 7-2231

EMMITSBURG — The first annual reunion of the late Edward P. Long family was held Sunday at Cunningham Falls State Park. Present were: Mr. and Mrs. C. R. Stambaugh, Mr. and Mrs. Charles Stambaugh and family, Mr. and Mrs. Floyd Reynolds and son, all of Thurmont; Mr. and Mrs. Kenneth Stambaugh and family, Littlestown; Mr. and Mrs. James Long, Rocky Ridge; Mr. and Mrs. Guy Long and family, Ray Long and son, Emmitsburg; Mr. and Mrs. Richard Saylor and family, Rocky Ridge; Mr. and Mrs. Donald Myers and family, Emmitsburg; Mr. and Mrs. Walter Warren and daughter, Fairfield and Mr. and Mrs. G. Eugene Rosensteel and family, Emmitsburg.

The annual financial drive of the Vigilant Hose Company began this week when letters requesting donations were mailed to every family, business place and institution in this area. Frank S. Topper is chairman again this year, having conducted last year's drive, one of the most successful in the history of the organization. Donors are urged to mail in their contributions early so the drive can be concluded on schedule. A door-to-door canvas will take place in several weeks to contact all those who have not yet donated.

The letter explained the increasing expenses of maintaining an up-to-date fire fighting organization. A new pumping engine was added to the equipment last year at an expense of almost \$14,000. At the present time the fire hall is overcrowded with equipment and sooner or later plans for expansion to the building must be made.

Mr. and Mrs. Michael Bobanic and family, Aliquippa, visited recently with Mrs. Bobanic's parents, Mr. and Mrs. Eugene Warren.

Miss Lydia Seiss, Thurmont, is spending the week with her uncle and aunt, Mr. and Mrs. Paul Sherwin, and family.

The regular monthly meeting of the Francis X. Elder American Legion Auxiliary Unit 121 was held Tuesday evening at the post home with President Madeline Harner, presiding. Announcement was made that the annual convention will be held on July 18 and 21 at the Venice Model in Hagerstown, Md. The delegates were named as follows: Virginia Sanders, Kathleen A. Shorb, Nettie Ashbaugh, Madeline Harner and Anna Bushman. Proceeds of the poppy sale amounted to \$28.44 of which \$8.50 was sent to rehabilitation and \$7 was paid for the poppies. Invitations from the following units were read: Carroll Post Unit 31, installation, July 14; Clopper Michael, installation, for refreshments.

## Secret Talks Begin On Nuclear Tests

LONDON (AP)—Top American and British scientists begin secret talks Thursday that could ease the way toward an East-West treaty banning nuclear weapon tests.

Officials of both countries said the two-day conference on defense strategy will include a study of new and improved techniques for spotting distant nuclear blasts.

American claims that seismic detection methods can be improved emerged from a U.S. Defense Department statement last weekend and were based on experiments conducted during the current series of underground tests.

These claims raise cautious British hopes that the West will be able safely to cut back demands for international inspection in a test-ban treaty with Russia. The refusal of the Soviet Union to meet these demands has been a major obstacle in negotiations in Geneva to outlaw all types of nuclear tests.

Newcomers are Miss Donna Schultz, daughter of Mr. and Mrs. Francis D. Schultz, Fairfield R. 1; Miss Sue Ann Deardorff, daughter of Harold K. Deardorff, Fairfield R. 1; and Miss Shirley Bair, daughter of Mr. Theron Bair, Littlestown.

The beauty contest will be held in building 11 beginning at 8 p.m. In addition to the judging there will also be entertainment.

A barbecue chicken dinner from 6 to 7 p.m. will also feature the activities sponsored by the Adams County Poultry Association.

Dinner tickets priced at \$1.25 for adults and 75 cents for children are available at the door or in advance from officials or advisors. They may also be purchased at the county extension office.

**Find Man Dead; Auto Is Missing**

**WASHINGTON, Pa. (AP)**—State police have identified a man found dead in a clump of trees near Washington as James H. Smith, 23, of Franklin R. 3, Ind., who had been missing since last Monday.

State police Capt. Ernest C. Moore said Smith was found shot in the head about 30 feet off Route 31, two miles east of Washington.

Moore said the FBI and Indiana authorities reported Smith frequently picked up hitchhikers and let them drive his car. The car is still missing.

**MILWAUKEE (AP)**—Mickey Wright and Barbara Romack, a pair of winsome blondes who add glamour to the pro golf trail, held a two-stroke lead today, entering the second round of the \$10,000 Milwaukee women's Open.

Miss Wright, who is well on her way to leading the Ladies' PGA money-winners a second straight year, and Miss Romack mastered the Tuckaway Country Club's tricky green and narrow fairways for par 70s Thursday in the opening of the 72-hole test.

**Good Example Is Heritage Of Christian**

By REV. JOHN C. CHATLOS  
Pastor of the Church of the Incarnation, Emmitsburg, Md.

TEXT: "For to this you have been called, because Christ also suffered for you, leaving you an example, that you should follow in His steps." I Peter 2:21.

It is a fact that environment plays a large part in the development of every person's life. Did you know that about two-thirds of our influence from environment is made up of the example of living associates?

"Example" in the sense of our text is the "headline" or "line copy" in the old copybook, which the pupil was to try to reproduce a little better all the way down the page. This is the picture of life. People are constantly following some example (whether it be good or bad), even if this is done unconsciously.

**HOME TAKES PRIORITY**

Certainly the home takes priority when it comes to influencing children. It is often referred to as the "preparatory school" of the child for his whole life. Since the child can see the beauty of a good example very clearly, it is of utmost importance for us parents to be very careful about the kind of example that we set for our children.

Children are influenced much more by example than by word, and if their elders try to force their word which is not backed by example, it produces a warped and embittered personality. Seldom will children be appreciably influenced for good by the teaching of their elders if their teaching is contradicted by their conduct. What kind of an example am I setting as a parent, as an older sister or brother, as a teacher, before my friends and associates in the shop, in the factory, in school, or in the office, when I

am on vacation?

The world has had many fine men and women who have set good examples, but none was perfect. They all had their weak points as well as their strong points. Jesus Christ was the only perfect example who ever lived, and we can follow Him without fear of being misled. He is the Christian's example, and we who are called by His name are to "follow in His steps." He is an example of perfect righteousness and patience.

#### CHRIST IS EXPERIENCE

In verse 22 of I Peter 2, we read that "He committed no sin; no guile was found on His lips." He is an example of unparalleled

gentleness. Verse 23 says: "When He was reviled, He did not revile in return; when he suffered, He did not threaten; but He trusted to Him who judges justly." He is our example of perfect love and unselfishness. Verse 24 reminds us that "He Himself bore our sins in His body on the tree, that we might die to sin and live to righteousness. By His wounds you have been healed."

But, strangely enough, unless and until Jesus Christ has done something MORE for us than that of setting an example, we cannot follow His example. We won't have the power nor the spiritual strength to really follow Him until we have been "born again" by

the Spirit of God. Jesus Christ must be our Savior and our Lord, if we are to follow Him sincerely. If He has really saved us from our sins, then He can give us the power that we need to "follow in His steps."

I am convinced that the greatest heritage that we can leave for our children, and for those who come after us is not a big bank account, nor a spacious home, nor a large estate, nor an expensive new automobile, but our good example. If you were fortunate enough to have good, Christian parents, you will understand that the greatest heritage

"Have you had a kindness shown? Pass it on. Twas not given for thee alone, Pass it on. Look upon thy brother's need, Pass it on. Live for seck, you live in vain; Pass it on. Let it travel down the years, Let it wipe another's tears, Till in Heav'n the deed appears—

Pass it on. Have you found the heav'nly light? Pass it on. Souls are groping in the night, Hold thy lighted lamp on high, Be a star in someone's sky, He may live who else would die. Pass it on. Be not selfish in thy greed, Pass it on. Look upon thy brother's need, Pass it on. Live for Christ, you live again; Pass it on. reign— Pass it on.

# Give Us This Day

Harvest time makes a man think.

The bread God gives us has to be cut, threshed, baked, wrapped and delivered before it ever reaches our mouths. And long before, it had to be sowed in a ploughed field, cultivated, irrigated, and fretted over a thousand times.

Lots of work in it for man. No gift wrapping with a ribbon around it.

But don't think we could get along without God! Leave out His part and there would be no harvest — no point in all our work.

So wheat inspires worship! And every Sunday in Church reminds us that we never labor alone . . . that our labors gain fruitfulness from God.

#### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support

the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Former Gunman With Shady Past Given Bright Future

NEW YORK (AP)—Three years ago, Robert Nazzaro, a teen-aged gunman, had a shady past and a bleak future.

Today, Nazzaro, now 18, has a good job and is preparing himself for an engineering career. His criminal record has been wiped out.

The change came about through the help of an understanding judge and an assistant district attorney who prefers rehabilitation to prosecution. Most of all, though, it came about through Nazzaro himself.

### PUT ON PROBATION

In 1959, Nazzaro appeared before General Sessions Judge Irvin D. Davidson and pleaded guilty to trying to shoot another youth he believed—wrongly—to be a member of a rival gang. Fortunately for all concerned, Nazzaro had missed.

But the judge, incensed at the stupidity of the act, acceded to the prosecutor's request and refused to treat Nazzaro as a youthful offender—thereby giving him a criminal record. The boy was then placed on 2½ years probation.

But despite his bad start, Robert seemed intent on changing his ways. While still on probation, the good-looking youth finished high school and worked afternoons and Saturdays.

### AIMED AT ENGINEERING

He got a construction job at \$4.10 an hour, but he wanted to become an engineer, so he enrolled in night courses at St. John's University. Then he learned that the criminal record he had earned as a 15-year-old boy would prevent him from pursuing his chosen career.

Nazzaro contacted Judge Davidson and asked if there was some way the law could forgive a youthful mistake. The judge said there was, and, after checking over Nazzaro's probation reports, he set a series of legal moves into action.

The culmination of the legal moves came Thursday, when Asst. Dist. Atty. Maurice Nadir recommended that Nazzaro be permitted to withdraw his original guilty plea to attempted felonious assault with a gun.

### CAN ACHIEVE ANYTHING?

Davidson permitted the move, and Nazzaro then immediately reentered the guilty plea—but this time as a youthful offender. Thus classified, the youth does not technically have a criminal record.

When the process was ended, Davidson told the clean-cut young man before him:

"You can now say under oath you've never been convicted of any crime. You can go anywhere, achieve anything. If we don't ever see you here again, we'll know we have won."

## DILWORTH IS VFW SPEAKER

PHILADELPHIA (AP)—Richard Dilworth, Democratic candidate for governor who fought in both world wars as a U.S. Marine, says this nation's strength lies in its reserve and national guard forces.

The 53-year-old former Philadelphia mayor made the statement in a speech Thursday to the 43rd annual convention of the Pennsylvania Department, Veterans of Foreign Wars.

Terming his remarks nonpolitical, Dilworth told some 300 delegates efforts to cut the strength of national guard and reserve unit should be firmly resisted.

"It is my opinion," he said, "that these citizen forces are the backbone of our strength, and that they preserve the moral fiber which we must have if we are to keep our democracy strong."

He said it was important "the basic principle of a citizen army under civilian control be maintained."

Sen. Joseph S. Clark, D-Pa., who also spoke urged that military and foreign policy of President Kennedy be supported. He lashed out at what he termed the advocates of a "victory or defeat" policy in dealing with the communists.

## NUMB KOUFAX QUIETS METS

NEW YORK (AP)—Sandy Koufax set the New York Mets down for seven innings Thursday night with the index finger of his pitching hand as numb as the Mets' bats.

Koufax, sensational southpaw of the Los Angeles Dodgers pitched with his left hand painfully swollen and the upper half of his left index finger badly discolored and almost entirely numb.

He had yielded only three hits when he left after the seventh. Larry Sherry finished the 3-0 victory.

"The hand hurt me all through the game," Koufax said. "And then I developed a blood blister on the index finger so we decided not to take any chances."

"However, I don't expect to miss any turns. The doctors have told me the only thing I can do for the condition is to rest, and I can't do that."

BATTING—Hank Aaron, Braves stroked three singles and then wound up 4-for-5 performance with grand slam homer—his third of the season—in ninth inning for 8-6 victory over St. Louis.

## MILLER SMOKES PEACE PIPE TO SETTLE ISSUE

By JACK BELL

WASHINGTON (AP) — Rep. William E. Miller, R-N.Y., said Thursday organizers have pledged the National Republican Citizens Committee will not support any individual candidate for the 1964 presidential nomination.

Miller, the GOP national chairman, and Sen. Barry Goldwater, R-Ariz., chairman of the Republican Senatorial Campaign Committee, have smoked a peace pipe over the issue.

"Bill Miller is still my chairman," Goldwater said after a conference Wednesday. "But I still think the citizens committee will prove to be a divisive influence in the party."

### REMAIN COOPERATIVE

Miller said in a separate interview he and Goldwater remain cooperative, even though he supports the citizens group and the senator doesn't.

Goldwater's associates had been convinced that the citizens group was being organized to provide a vehicle to draft Richard M. Nixon, former vice president, for the presidential nomination if he wins the governorship of California in the November balloting.

They regarded the group as hostile to both the senator and Gov. Nelson A. Rockefeller of New York.

### MILLER DENIAL

Not so, said Miller. "It is clearly understood among all concerned that the citizens group will work in complete coordination with the national committee," he said. "There is the clear understanding that they will not support any particular candidate for the President or in the congressional elections, for that matter."

Miller indicated that the views of former President Dwight D. Eisenhower had prevailed in establishing the citizens group.

Eisenhower is likely to be even more in demand as signs increase that President Kennedy intends to hit the campaign trail for Demo-

### 2 Firemen Hurt At Pittston Blaze

PITTSSTON, Pa. (AP) — Two firemen were injured and 10 others were treated for smoke inhalation Wednesday when fire destroyed two buildings and damaged four others.

About 125 firemen from nine companies fought the fire for an hour before bringing it under control.

Three trucks in one of the buildings were destroyed. William Miller, operator of a firm in one of the buildings, estimated his loss at \$30,000. Fire officials said total damage was much higher.

## CLARK PUSHES TOCKS ISLAND PROJECT BILL

WASHINGTON (AP) — Sen. Joseph S. Clark, D-Pa., has introduced a bill to create a 62,000-acre national recreation area on the Delaware River centered on the proposed 30-mile long Tocks Island Reservoir.

Clark issued a statement following the bill's introduction Wednesday saying the area would become the "greatest recreation center—serving the most people—between the Great Lakes and the Atlantic Ocean."

Joining Clark in sponsoring the bill were Sens. Hugh Scott, R-Pa.; Harrison A. Williams, D-N.J.; Clifford P. Case, R-N.J., and Jacob K. Javits, R-N.Y. Rep. Francis E. Walter, D-Pa., is sponsoring a similar measure in the House.

### PARK SERVICE DUTY

Under the bill, the National Park Service would be responsible for the planning and development of the reservoir as a recreation site. Clark said he expected legislation authorizing construction of a dam to be passed this year.

## MYERS TROUPE VISITS BEIRUT BIBLE SITES

Only the Pepsi-Cola and taxi-drivers, who take all kinds of risks and pay little attention to signs or curves, struck a familiar note as Dr. Jacob Myers, Seminary Ave., and his troupe of tourists arrived in Beirut, Lebanon, on another leg of their journey. The group arrived in Lebanon on July 5 with two of the party a little under the weather from Cairo sickness. Dr. Myers' hotel room gave him a striking view of the Mediterranean.

The group visited the famous Cedars of Lebanon, mentioned in the Bible about a dozen times and from which the temple of King Solomon was paneled. Only a few of the great trees remain, perhaps two dozen or so, and these are several thousand years old.

On the way to the Cedars they stopped at Byblos, between Beirut and Tripoli, the oldest Phoenician city. It was excavated by the French scholar Dunand and many impressive things were found. The city itself goes back to around 4,000 B.C. Its ancient name was Gebal, a name associated with two mountains which rise on each side. The present name is Greek and means "book," the word from which our own "Bible" comes.

It was at Byblos that the old Phoenicians built their ships and carried on trade all around the Mediterranean lands. A number of inscriptions have been found, as well as the tombs of several kings. In due time the Romans came and captured the city which they rebuilt. Roman monuments are everywhere, a signal testimony to Rome's power and influence. There is also a Crusader's castle.

Just below the Cedars of Lebanon, Dr. Myers came upon the birthplace of Danny Thomas, the TV star. Posters were all over the place, remaining from a recent visit of Thomas and saying, "Welcome, home." The poet Gibbons was born in the same place.

About 3,000 feet up the

Lebanon Mountains is a great stretch of fairly level land which is covered with thousands and thousands of olive trees. In the midst of these acres of olives is the village of St. Georges, which is the home town of Dr. Charles Malik, who was presiding officer of the U.N. a few years ago. He is Lebanon's greatest statesman and is also a great scholar. About one-tenth of the world's olive oil comes from Lebanon.

### FINE APPLE ORCHARDS

All along the way in the mountains are miles and miles of newly-built terraces where young apple orchards have been started. The trees are fine and healthy and look as good as those in Adams County, perhaps even a bit better. Further down, where the climate is warmer, are orange and lemon groves and banana fields. Huge tomatoes also grow here. Dr. Myers says that a single tomato would serve a family of 10 or 12 for a meal.

On July 7 the group saw the site of the ancient cities of Tyre and Sidon. Tyre was the political and industrial capital of King Hiram, the friend of King Solomon, with whom he traded the cedar for the temple. Both are mentioned frequently in the Bible and Jesus went there and St. Paul, on his way from Asia Minor to Jerusalem, landed at Tyre. Archaeologists were working as Dr. Myers and his group passed by and the visitors inspected a very large cemetery of the Roman period which had been uncovered. The exhibits in the museums were also most interesting because they tell the story of Tyre from the Stone Age to the Byzantine period.

Between Tyre and Sidon is the famous Aramco refinery where oil from Saudi Arabia is processed and then transferred to huge tankers which carry it to Europe and elsewhere. Beirut is the capital of Lebanon and has a population between 600,000 and 700,000. The city is clean and the people very attractive. They are friendly and pleasant to visitors.

On July 8, Dr. Myers shopped off to Baalbek, the site of the old Canaanite shrine of the sun god but famous now for its quarry and marvelous Roman temples dedicated to Jupiter, Bacchus and Venus. In the offing are treks to Damascus, Amman and Jerusalem.

## A Lovelier You

By MARY SUE MILLER  
NO-RUN MASCARA. A lovely writes: My lashes are very light and need the accent of mascara. But no matter what

kind I use, it runs. Please help me solve the problem.

The Answer: Most mascaras are waterproof and stay put, even when you go swimming. Consequently when mascara smudges onto your skin, there is an error in your application method.

Or possibly the surrounding territory is overloaded with oil, of either the natural or cosmetic variety. Mascara does not claim to be oilproof. In fact the most effective way to remove it is with an oil.

In any case, the smudge nuisance can be eliminated by following these suggestions:

- Never apply powder base to the area between the upper lashes and eyebrows. Instead, blot the lids with a cleansing tissue, and lightly dust both lids and lashes with face powder.

- If you use eyeshadow, avoid creamy preparations. The new pressed-powder shadows are ideal for your purpose.

- Apply your mascara in two sparing coats, letting the first dry thoroughly before attempting the second. Be sure to color each lash separately and to leave a tiny margin along the lid uncolored.

- Once an application is set—hands off! No mascara is impervious to the finger that rubs the eye.

### INSTANT BEAUTY TIPS

For 50 ways to look lovelier, send for my leaflet, "INSTANT BEAUTY TIPS." It shows you how to overcome such annoyances as chipped polish, ragged lipline, straggly hair, and even stuck zippers; also, how to create glamour looks with makeup and accessories. All in the wink of an eyelash! For your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a self-addressed, stamped envelope, and five cents in coin.

### Officials Study Ag Man's Record

SCRANTON, Pa. (AP)—Federal probation officials have begun presentence investigation into the background of Max J. Rashkin of Bloomsburg, who has entered a plea of guilty to a six-count fraud indictment in federal court here. Rashkin is a former U. S. Department of Agriculture regional official.

The investigation of Rashkin's record was ordered by U. S. Judge Michael H. Sheridan after Rashkin entered his plea.

Rashkin is accused of manipulating borrowers' accounts for his own benefit while serving as supervisor of the Farmers' Home Administration in Luzerne, Columbia and Schuylkill counties.

## N.Y. MINISTER BUILDS FAITH FOR MODERNS

By JACK C. LANDAU

NEW YORK (AP)—A young Presbyterian minister, who calls his belief "Christian Agnosticism" is using plays and abstract paintings in his work.

The Rev. William B. Glenesk of the Spencer Memorial Church in Brooklyn says "I am sure that God exists but I can't prove it—that's the agnostic element."

"To believe in God's existence is a matter of faith, but within the framework of this faith, there is this doubt as to the whereabouts of God," he added.

### RE-AFFIRM FAITH

In an effort to re-affirm his own faith and that of his parishioners and in an attempt to discover more about God's manifestations in the world, Rev. Glenesk believes in experimentation.

"It is an exploratory type of faith; faith grows with exposure. This is an old Greek idea, that is, to begin with things you don't know," he adds.

Because the Rev. Mr. Glenesk does not subscribe to a division between secular and religious activities but believes that everything is under God, he feels free to draw upon the greatest works of art and literature.

### VARIED SERMONS

He has discussed modern and classic plays, the dance, and art in his sermons as examples of God's spirit at work.

"Hamlet" was used to explore the problems of personal freedom and pride; "King Lear," self discovery; "Death of a Salesman," self deception; "The Tenth Man," supernatural elements in the universe; and "Gideon," war between men.

After the sermons, there are seminars which at times include the Broadway actors who played leading parts. One of Glenesk's reasons for using literature is that "God speaks as strongly through the great poets and artists of today as through the prophets of yesterday."

He reports that his congregation, which numbers about 200 persons, has shown great interest in his new approach and that about 100 attend the Sunday services, of which an average 50 stay on for the seminars.

His views first became widely known last June 30 when he appeared on an early morning radio program and espoused "Christian agnosticism." Since then, he says, he has received about 100 calls, mostly of them favorable, but some bitterly critical.

### TROOP 84 TO GO CAMPING

All Boy Scouts participating in the annual week of camping for Troop 84 will leave from the Scout headquarters at 8:30 a.m. on Saturday. They will return to town about noon the following Saturday. Adult leaders will be Scoutmaster Edgar A. Wolfe, assistants John R. Rudisill and Victor Reynolds, and members of Explorer Post No. 84, Bruce W. Stair will be camp director. U. Ray Study will be camp cook with Robert and Charles Hahn assisting him.

It is planned to have visitors night on Thursday, with a program of entertainment by the Scouts, in patrols. Sunday School and evening vespers will be held at the camp: the Catholic Scouts will be brought to town for mass.

Each Scout is asked to take the \$7 fee along on Saturday morning; this includes meals, lodging and accident insurance. Each Scout should also take a campbox with extra clothing, shoes, socks, bathing trunks, etc., and uniform; also an old pair of shoes or sneakers for around camp. Blankets or bedroll must also be provided, in addition to personal toilet articles and mess kit. The boys may take fishing tackle, camera, flashlight, compass and working material of Scout handbook, pencil and paper. Each Scout has been sent a call letter and should use this information when packing for this troop camp at Natural Dam.

The Scouts furthered plans for the camp at their weekly meeting on Wednesday. Those in attendance left from the Community Center at 6 p.m. and went to the Natural Dam campsite for cleanup detail. The work session was followed by swimming and a wiener roast.

### CLASS ON OUTING

The members of the Ever Willing class of St. John's Lutheran Church enjoyed an outing on Tuesday evening. There were swimming, parlor bingo and a picnic style supper. The class will have a picnic in conjunction with the next meeting on Tuesday, August 14, at 6:30 p.m. in the church grove.

Ralph Conover, Glenn S. Kauffman, George E. Hornberger, Dewey Baumgardner, John W. Hankey, Lloyd R. Harner, Clarence J. Krichten Jr., William Waltz, David Reaver, Norman Sentz, Raymond Bream, Clifford Harn, LeRoy Kline, Paul Hull, Vernon Reed, Jack Staub, Earl Smith.

Baltimore Rd., Earl J. Weaver, Robert H. Thomas, Henry F. Storm, Richard Stuller, Kenneth P. Eyley, Norman J. Hahn, Donald Cook, Fred A. Miller, James P. Hahn, Robert King, Ronald W. Strevig, Bobby Nester, James Collins, Harry E. Feeser, Barry Fissel, David S. Little, Glenn E. Ohrler and Michael Cookson.

This year's carnival will be held Monday through Saturday, August 6-11, on the community playground.

# ALESSANDRONI ASKED TO RUSH PHILA. PROBE

As he left the judge's chambers Berger said Alessandroni seemed "favorably inclined to expedite the probe." Berger said he expected a ruling within a day or so.

Later, however, Alessandroni said he did not see how the machinery for the investigation could be assembled and set in motion on such short notice.

He said a special prosecutor, who the city bar association has agreed to select, must be given time to put his affairs in order.

## REASONS DIFFER

Alessandroni, a Republican, said there were also "practical and material problems" involved in the task of the grand jury which he authorized to look into alleged corruption and sale of legislation during the administration of former Mayor Richardson Dilworth.

In other developments Thursday, leaders of both major parties solidly backed an immediate investigation, but for different reasons.

Among Democrats urging swift action were Gov. Lawrence, Sen. Joseph A. Clark, and James H. J. Tate, who succeeded Dilworth as mayor when the latter resigned.

## GOP Leaders Meet Eisenhower Today

PHILADELPHIA (AP) — A 21-member Republican policy committee was formed Thursday to try to unite party factions for next year's municipal elections.

Ten GOP ward leaders and 11 independent Republicans — including members of the antion-organization—Republican Alliance— are members of the committee, which will meet monthly to discuss 1963 candidates, major appointments, finances and public policy.

## PUBLICKER CLOSED

PHILADELPHIA (AP) — Philadelphia operations of Publicker Industries were shut down today while 1,500 workers stayed away on the second day of a strike un-authorized.

The company, which manufactures whiskey and industrial chemicals, said it has arbitration provisions with the union and a no-strike clause in its contract.

## CRIPPLE KILLED

POTTSVILLE, Pa. (AP) — John Popach, 75, who had had both legs amputated, was killed by a truck Thursday when the wheeled dolly he used to get around on slid under the wheels of a truck.

last February to run for governor. Although they charged the investigation was politically inspired, the Democratic leaders all said they welcomed it as an opportunity to clear up the Philadelphia corruption issue before the November elections.

Republicans took another tack. A spokesman for the regular Republican City Committee said any additional time might give "wrongdoers an opportunity to secrete information and destroy evidence."

## CASTOFFS AID WILLIE MAYS TO TOP PHILS

PHILADELPHIA (AP) — Two San Francisco pitchers, traded by the Philadelphia Phillies four years ago, came back to haunt the home team Thursday night. And they got help from the fabulous Willie Mays.

Jack Sanford, swapped to the Giants in 1958 for pitcher Ruben Gomez and catcher Valmy Thomas, pitched six scoreless innings to his old club as the Giants won 5-3 and stayed within half a game of the National League leading Los Angeles Dodgers.

Sanford posted his 10th win, but needed help from another ex-Phillie—Stu Miller. Miller, the relief ace traded by the Phillies after the 1958 season, gave up one hit in two and third innings.

**MAYS IS NUISANCE** While Miller and Sanford made things tough for Phillies' batters, Mays made a nuisance of himself at the plate getting three hits, driving in one run and scoring another.

In the fifth inning Mays singled to left, stole second and went to third when r o o k i e righthander Jack Hamilton, attempting a pick-off, hit umpire Dusty Boggess with his throw.

Felipe Alou, then hit a hopper to shortstop Bob Wine, who glanced at Mays and threw to first for the out. Mays broke from third and beat Roy Sievers' frantic throw home. It proved to be the winning run.

The Phils collected nine safeties with Tony Gonzalez, Clay Dalrymple and Don Demeter getting two apiece. Hamilton, who came out in the fifth, was credited with the loss.

## DUTCH COMEDY AT ALLENBERRY

Playing against a background of colorful, stylized Pennsylvania Dutch scenery, the refreshing comedy "By Hex," a Lancaster County farce, has been playing to packed houses at the Allenberry Playhouse since July 2.

Richard Marr as the bishop of the Amish community, who leads his flock in "shunning" wrongdoers, and Maretta Hamme, formerly of York, playing the part of the widow Annie, use excellent voices to good advantage in their singing roles.

Donna Curtis, who played in the 1961 performance of a "Student Prince," plays Nancy, the demure older daughter of the bishop, one of the leads. Playing opposite her is William Wendt as Jonas, the red-suspending young Amish farmer who likes to "drink a little beer" and throws the community in a tizzy by buying a tractor, a "work of the devil."

Barbara Creed, who is the choreographer for Allenberry's musical shows, plays Lydia, the younger daughter. She and her sweetheart, Eli, played by Don Lawrence, a newcomer to Allenberry but with considerable experience in a number of opera and ballet companies, use "hex book" tactics to get her older sister married off so they can wed. Ted Gilbert, son of Mr. and Mrs. George Gilbert, W. Middle St., and pianist and arranger for "The Four Casuals," is a member of the sprightly chorus.

The show closes on Saturday.

vealers 23.00-32.00; choice and prime 32.00-35.00; standard and good 26.00-29.00.

Hogs 1.025; barrows and gilts 19.50-20.00

**JAIL MAN FOR  
KNIFE THREATS**

PITTSBURGH (AP)—A 29-year-old South Side man has been charged with assault with intent to kill after holding his former wife at knife-point for about a half-hour Thursday.

Police said Charles T. Sibert entered the Bacharach Industrial Instrument Co. plant in Pittsburgh's Homewood section and pulled a knife on his ex-wife, Bernice, a 26-year-old switchboard operator and receptionist at the company.

Alerted by plant officials, police patrol cars headed for the plant, their sirens silent to avoid alarming Sibert who had threatened to kill his divorced wife if he saw police.

Three plainclothesmen and a patrolman wearing a suit coat to hide his uniform managed to approach the couple and with drawn guns ordered Sibert to drop the knife.

Sibert was jailed, pending a hearing.

Bernice was treated for minor cuts of the hand and shoulder at Columbia Hospital and released.

Police said the reason for Sibert's attack has not been learned.

**EMBEZZLER  
NEAR PRISON**

EBENSBURG, Pa. (AP)—Frank J. Burns, a Cambria County commissioner, will have to begin serving a 3-to-10-year prison term next Monday unless the State Supreme Court intervenes.

Burns, convicted on embezzlement and extortion charges, asked Cambria County Court Thursday to stay his sentence pending disposition of his petition for appeal to Supreme Court.

But Judge George W. Griffith rejected the request, saying Supreme Court should rule on the stay of sentence.

Defense Attorney Vincent M. Casey of Pittsburgh said he will ask the high court for a stay.

Burns currently is free on \$15,500 bond. He was accused of embezzling \$6,170 in board payments for county home patients during the time he was home superintendent.

NEW POLICE CHIEF  
JOHNSTOWN, Pa. (AP)—Veteran Police Capt. Robert J. Burkhardt has been named to succeed Police Chief Charles P. Griffith of Johnstown.

Mayor George B. Walter said Thursday Griffith resigned to accept the post of security chief for the Pennsylvania Electric Co. He will be in charge of security for all of the firm's facilities in 33 counties.
